2. Characteristic spirit and general objectives of the school

St. Mary's NS is a co-educational primary school with a Church of Ireland ethos under the patronage of the Bishop of Cork, Cloyne and Ross.

"Church of Ireland" ethos in the context of a Church of Ireland primary school means the ethos and characteristic spirit of the Anglican Christian tradition. This seeks to nurture and encourage the formation of the intellectual, academic, sporting, social and religious abilities of each child within the framework of the community of faith. A Church of Ireland ethos encourages intellectual diversity of thought and encourages the individual to seek to understand themselves, the world around them and the connection between the world and God. This understanding of school ethos promotes pluralism in thought and living, in the context of a Christian school community. Drawing on its Anglican tradition, the Church of Ireland School encourages home/family involvement, highlighting the importance of the family/home in the social and emotional development of the child, and more broadly, the community of the school and church.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of St. Mary's NS shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

The Church of Ireland is an ecumenical church and fulfils its ministry in a spirit of inclusiveness and openness to the needs and concerns of all in society. Traditionally, the school has welcomed pupils from the wider community along with those from the Carrigaline Union of Parishes. St. Mary's N.S. is a school which, in accordance with the Education (Admissions to Schools) Act 2018, serves mainly those of a 'minority religion'.

The School motto, Mol an Óige agus tiocfaidh sí - Praise the youth and they will flourish, is a core philosophy for the school. St. Mary's N.S. is a community where pupils experience a sense of caring and belonging in a positive nurturing atmosphere where respect for each other is of paramount importance. We strive to foster the true potential of each child through the nurture of their spiritual, religious, emotional, intellectual and physical development.

The school endeavours to complement the work of parents / guardians in the home and build on this relationship to enable the child to grow and develop to achieve their full potential in society.

3. Admission Statement

St. Mary's NS will not discriminate in its admission of a student to the school on any of the following:

- (b) the civil status ground of the student or the applicant in respect of the student concerned,
- (c) the family status ground of the student or the applicant in respect of the student concerned,

St. Mary's NS is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate in relation where it refuses to admit as a student a person who is not a member of the Church of Ireland and it is proved that the refusal is essential to maintain the ethos of the school.

4. Categories of Special Educational Needs catered for in the school/special class

St. Mary's NS, with the approval of the Minister for Education and Skills, has established two classes to provide an education exclusively for students with Autism Spectrum Disorder within the mild range of learning disability. The maximum number of pupils in each class is six.

In determining the level of admissions to the ASD Classes, the Board shall take account of Department of Education & Skills ('DES') regulations/circulars in relation to staffing, class size and pupil teacher ratios; health and safety requirements; it shall also have regard to issues such as physical space, age range within the class, behavioural needs, the number of pupils expected to leave the class, the size of classrooms/play areas/school premises, the deployment of teachers and the resources of the School.

The following criteria for admission to the ASD classes apply:

1. An applicant must have a primary diagnosis of a qualifying autism spectrum disorder and must submit a professional report, which confirms a diagnosis of a qualifying Autism Spectrum Disorder (DSM IV/V or ICD 10).

These reports must be recent and cannot be dated more than 18 months prior to the proposed admission date. Parents may be asked to furnish further up-to-date reports.

2. An applicant must also furnish the school with a recommendation to attend an ASD class attached to a mainstream school. Such a recommendation must be furnished by a professionally recognised clinical psychologist.

3. If the applicant presents with a general learning disability, it must fall within the mild range. This diagnosis must be made using a professionally recognised clinical and psychological assessment procedure and the report confirming this must be submitted with the application form.
4. A fully completed, signed and dated application form for enrolment has been submitted to the school by the Parents and a vacancy exists in the ASD Class. If the application form is not fully completed, and/or all the required reports have not been furnished, the application will be deemed incomplete. The Parents will be notified that the application will not be considered, nor a waiting list number allocated, until a complete application is submitted.
5. When a complete application is submitted, the date and time of receipt are noted on the application form and an acknowledgement is sent indicating that the application has been allocated a waiting list number.
6. If offered a place, the Parents must confirm in writing within 7 calendar days that the place is being accepted. If this confirmation is not received within that time, the school will take it that the place is not being accepted and the place will be reallocated.
7. Places are allocated in the ASD Class on the condition that the appropriate resources are provided and continue to be provided, by the NCSE and the DES.

If the ASD classes are oversubscribed, places will be allocated as set out in Section 6.2 below provided in the first instance that the applicant meets all of the criteria listed above. A waiting list will be maintained for the duration of the academic year only, for which the initial application was made.

4.1 Inclusion

- It is hoped that pupils enrolled in the ASD classes will experience meaningful inclusion during their time in St. Mary's NS. Inclusion of pupils with ASD into mainstream classes for some subjects will be considered on an individual basis. The provision of inclusion for the pupils is dependent on personnel resources and accommodation and on their priority needs. .

- The child's first year in the ASD Class will be used to:
 - Assess the child's educational, social and emotional needs
 - Develop an Individual Education Plan to address identified needs

4.2 Age gap

- A three year age gap is the preferred maximum allowed between any two children within each class.

4.3 Discharge from ASD Classes

- Discharge of pupils from the ASD Classes will usually take place once they have completed eight years of primary education but no later than the academic year of their fourteenth birthday.
- Discharge from the ASD Classes may also happen if a pupil is fully integrated into the mainstream school.

4.4 Placement Review

- Regular reviews of a school's capability to continue to meet the pupil's needs in a way that ensures that the pupil develops to his/her potential may be necessary. Parents will be kept fully informed of any concerns that might arise at the earliest opportunity.
- Should these concerns continue the school shall request that a multi-disciplinary team assessment be carried out to determine the best options open to the pupil.
- If the School and its related professional support team were of the opinion that the pupil's needs were not being met in the class, in consultation with the pupil's parents/guardians, an alternative placement would need to be considered in the best interest of the child.
- The final decision rests with the Board of Management

5 Admission of Students

This school shall admit each student seeking admission except where –

- (a) the school is oversubscribed (please see Section 6 below for further details)

- (b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student
