**St. Mary's N.S.  
Carrigaline  
Roll Number: 18279A**

**Form of Statements by Applicants of a 'Minority Religion'**

**Notes:**

This form has been devised to facilitate 'minority religion' applicants in making, and the school in receiving, the statements required by the Education (Admissions to Schools) Act 2018. It should be used only by those who wish to make the statements concerning the 'minority religion' of an applicant and religious instruction as set out in the Education (Admissions to Schools) Act 2018. Applicants who do not wish to make such statements should not use this form.

*You may, however, if you prefer, submit your own statement confirming that the student is a member of a minority religion, and that you wish the student to be educated in a school that provides the programme of religious instruction of this school because it is 'of the same religious ethos as, or a similar religious ethos to, the religious ethos of the minority religion of the student concerned.' Under the Act you may also include such evidence as you wish to support your own statement. Under the Act, the Board of Management will rely on this form or your statements in order to comply with the legislation and the school's admissions policy.*

If you have any queries concerning the form or this process arising from the new legislation please contact the school.
