

St. Mary's NS

Health & Safety Statement

Revised September 2024

Health & Safety Statement

This Safety Statement sets out the general policy of St. Mary's NS, Waterpark, Carrigaline, Co. Cork.

The aim of this policy is to do all that is reasonably practicable to secure the Safety, Health and Welfare of staff and students.

The Board of Management of St. Mary's NS brings to the attention of its staff the following arrangements for safeguarding the safety, health and welfare of those employed and working in the school.

This policy requires the co-operation of all employees. It shall be reviewed annually or more frequently if necessary, in the light of experience, changes in legal requirements and operational changes. A safety audit shall be carried out annually by the Board of Management Safety Officers and a report made to staff. All records of accidents and ill-health will be monitored in order to ensure that any safety measures required can be put in place to minimise the recurrence of such accidents and ill-health.

The Board of Management of St. Mary's NS wishes to ensure that as far as is reasonably practical:

- ◆ The design, provision and maintenance of all places in the school shall be safe and without risk to health.
- ◆ There shall be safe access to and from places of work.
- ◆ Plant and Machinery may be operated safely in so far as is possible.
- ◆ Work systems shall be planned, organised, performed and maintained so as to be safe and without risk to health.
- ◆ Staff shall be instructed and supervised in so far as is reasonably possible so as to ensure the health and safety at work of its employees.
- ◆ Protective clothing or equivalent shall be provided as is necessary to ensure the safety and health at work of its employees.
- ◆ Plans for emergencies shall be complied with and revised as necessary.
- ◆ This statement will be revised by the Board of Management as necessity arises and shall be re-examined by the Board on at least an annual basis.
- ◆ Employees shall be consulted on matters of health and safety.
- ◆ Provisions shall be made for the election by the employees of a safety representative.

The Board of Management of St. Mary's NS recognises that its statutory obligations under legislation extends to employees, students, to any person legitimately conducting school business, and to the public.

The Board of Management of St. Mary's NS undertakes to ensure that the provisions of the safety, Health and Welfare at Work Act 2005 are adhered to.

Duties of Employees

It is the duty of every employee while at work:

- (a) To take reasonable care for his/her own safety, health and welfare, and that of any person who may be affected by his/her acts or omissions while at work.
- (b) To co-operate with his/her employer and any other person to such extent as will enable his/her employer or the other person to comply with any of the relevant statutory provisions.
- (c) To use in such manner so as to provide the protection intended, any suitable appliance, protective clothing, convenience, equipment or thing provided (whether for his/her lone use or for use by him/her in common with others) for securing his/her safety, health or welfare at work.
- (d) To report to the Board of Management without unreasonable delay, any defects in plant, equipment, place or work, or system of work, which might endanger safety, health or welfare of which he/she becomes aware.

No person will intentionally or recklessly interfere with or misuse any appliance, protective clothing, convenience or other means or thing provided in pursuance or any of the relevant statutory provisions or otherwise, for securing safety, health or welfare or persons arising out of work activities.

Employees using available facilities and equipment provided should ensure that work practices are performed in the safest manner possible (see section 9 of Safety, Health and Welfare at Work Act 2005).

Duties of Management

The Principal and Board of Management are responsible for ensuring that all members of staff discharge their duties under all appropriate health and safety legislation and provide a safe working environment in so far as is reasonably practicable. Procedures, equipment and appropriate training must be in place to ensure that all employees are clear on the appropriate standards required and to ensure that those standards can be met. To discharge this responsibility,

it is necessary to provide a safe working environment; establish and enforce safe work practices and rules; foster good safety attitudes and awareness; train and motivate employees in safe work practices; investigate to determine causes of accidents and action necessary to prevent recurrences; and to comply with National and local statutory codes and regulations.

Audits and risk assessments will be carried out as necessary to ensure compliance with procedures and that safe systems of work are being maintained.

Consultation and Information

It is the policy of the Board of Management of St. Mary's NS to consult with staff in preparation and completion of hazard control forms, to make a copy of safety statement available to all present and future staff, and to convey any additional information or instructions regarding health, safety and welfare at work to all staff as it becomes available. Health, safety and welfare at work will be considered in any future staff training and development plans.

Fire

It is the policy of the Board of Management of St. Mary's NS that:

- (i) The Board of Management will ensure that an adequate supply of fire extinguishers, suitable for the type of fires likely to occur in each area, is available, identified and regularly serviced by authorised and qualified persons. Each fire extinguisher shall have instructions for its use.
- (ii) The Principal will ensure that fire drills shall take place at least once a term.
- (iii) Fire alarms shall be clearly marked. (Responsibility of Board of Management Safety Officer)
- (iv) Signs shall be clearly visible to ensure that visitors are aware of exit doors and routes.(Responsibility of Board of Management Safety Officer)
- (v) All doors, corridors, and entries shall be kept clear of obstruction and shall be able to be opened at all times from within the building. Each teacher who has an exit in his/her classroom must ensure it is kept clear. P.E. hall and main door – Principal will see they are free of obstruction.

- (vi) A plan of the school shows assembly points outside the school.
- (vii) Assembly areas are designated outside each building, and the locations specified.
- (viii) Exit signs shall be clearly marked.
- (ix) All electrical equipment shall be left unplugged when unattended for lengthy holiday periods. Teachers are responsible for their own classroom. The secretary/Principal, as appropriate, is responsible for the office. Staff room is every teacher's responsibility. Cleaner to check when cleaning.
- (x) Principal shall be responsible for fire drills and evacuation procedures.
- (xi) All recommendations made by a Fire Officer in addition to these provisions shall be implemented.
- (xii) Fire extinguisher training to be provided to staff.
- (xiii) Electrical adaptors are not be used on the school premises.

Hazards

Hazards shall be divided into two categories. Those which can be rectified will be dealt with as a matter of urgency. Those that cannot will be clearly indicated and appropriate procedures listed beside them. All hazards shall be eliminated in so far as resources and circumstances allow.

The following hazards (in so much as can be identified) are considered by the Board of Management to be a source of potential danger and are brought to the attention of all concerned:

1. Wet corridors
2. Trailing leads
3. Computers and IT equipment
4. Guillotine
5. Fuse Board
6. Electric kettles
7. Boiler house
8. Ladders

9. Excess Gravel/leaves/twigs on school playground.
10. Excess Gravel/leaves/twigs in school parking area.
11. Steps
12. Protruding units and fittings
13. Flat roof of school
14. External stores, cleaning store, electrical rooms, boiler house to be kept locked
15. Internal cleaning store to be kept locked.
16. External storage unit for Sanitiser & sanitising product to be located away from school building and kept locked.
17. Icy surfaces on a cold day
18. PE equipment including climbing frame and ropes
19. Windows opening out

To minimise these dangers the following safety/ protective measures must be adhered to (see duties of employee pages 3 of this document):

- (a) Access to and operation of plant/equipment is restricted to qualified members of the staff, whose job function is that of running, maintaining, cleaning and monitoring particular items of plant in the course of their normal duties. Copies of this Safety Statement will be made available to all contractors prior to contract by the Principal/Board of Management. Any other contractors entering the school must be shown a copy of the school's Safety Statement and shall adhere to its provisions.
- (b) In addition, all such plant and machinery are to be used in strict accordance with the manufacturer's instructions and recommendations.
- (c) Where applicable the Board of Management will ensure that members of staff will have been instructed in the correct use of plant, machinery and equipment.
- (d) All machinery and electrical equipment are fitted with adequate safeguards.
- (e) Precautionary notices, in respect of safety matters are displayed at relevant points.
- (f) Ladders must be securely stored and used with caution and a second person's assistance, if necessary.
- (g) Remove broken glass immediately on discovery. Wearing suitable protective gloves, wrap in newspaper, label clearly and dispose of safely.
- (h) The Board of Management Safety Officer will check that floors are clean, even, non-slip and splinter-proof.

- (i) The Staff will check that PE equipment is stacked securely and is positioned so as not to cause a hazard.
- (j) Staff will not use defective PE equipment and will inform the Principal immediately.
- (k) Routine inspections for inspecting furniture, floors, apparatus, equipment and fittings will be carried out by the Board of Management Safety Office and Staff Safety Representative.
- (l) Check that wooden beams, benches, handrails etc. are free from splinters and generally sound.
- (m) Check that vaulting horses, beams and benches are stable and do not wobble when in use.
- (n) Check that there are no uneven/broken/cracked paving slabs. Caretaker to check regularly.
- (o) Check that roofs, guttering, drain pipes etc as far as can be seen are sound and well maintained. (Responsibility of Board of Management Safety Officer).
- (p) Caretaker to check regularly that manholes are safe.
- (q) Check that all play areas, especially sand pits, are kept clean and free from glass before use.
- (r) Caretaker to check that outside lighting works and is sufficient.
- (s) Check that all builder's materials, caretaker's maintenance equipment, external stores etc are stored securely. (Caretaker, Principal and Board of Management Safety Officer).
- (t) Caretaker to check that refuse is removed from building each day and is carefully stored outside.
- (u) Caretaker to remove moss, leaves and mud from school grounds and entranceway.
- (v) Caretaker to ensure that manhole covers are free from water ponding.
- (w) Caretaker to check grounds every morning for glass, bottles, litter, graffiti or other hazards.
- (x) Caretaker to salt/grit footpath areas on icy mornings.
- (y) The use of candles and other naked flames are prohibited.
- (z) All electrical faults are to be reported to the principal or deputy principal . Defective electrical equipment shall be clearly identified, labelled as out of use and stored separately to prevent accidental use. Report defects to the principal or deputy principal to ensure that all items are repaired or replaced.

Constant Hazards

Machinery, kitchen equipment, electrical appliances:-

It is the policy of the Board of Management of St. Mary's NS that machinery, kitchen equipment and electrical appliances are to be used only by competent and authorised persons. Such appliances and equipment will be subject to regular maintenance checks.

Electrical Appliances

Arrangements will be made for all appliances to be checked on a regular basis at least annually by a competent person (i.e.) maintenance person, the supplier or his agent. Before using any appliance, the user should check that:

- ◆ All safety guards which are a normal part of the appliance are in working order
- ◆ Power supply cables/leads are intact and free of cuts or abrasions.
- ◆ Unplug leads of appliances when not in use.
- ◆ Suitable undamaged fused plug tops are used and fitted with the correct fuse.
- ◆ Follow official guidelines issued by the Health and Safety Authority.

Chemicals

It is the policy of the Board of Management of St. Mary's NS that all chemicals, photocopier toner, paints, detergents, sanitiser and sanitising spray etc be stored in clearly identifiable containers bearing instructions and precautions for their use and shall be kept in a locked/supervised area, and protection provided to be used when handling them. (Secretary/Cleaner/Principal, H & S rep BOM where appropriate). All materials are to be kept in their original containers.

Drugs and Medication

It is the policy of the Board of Management of St. Mary's NS that all drugs, medications, etc be kept in a secure cabinet, locked/supervised and used only by trained and authorised personnel.

Welfare

To ensure the continued welfare of the staff and children, toilet and cloakroom areas are provided. A Staffroom separate from the work area is provided, where tea and lunch breaks may be taken. Staff must co-operate in maintaining a high standard of hygiene in this area.

A high standard of hygiene must be achieved at all times. Adequate facilities for waste disposal must be available. An adequate supply of hot and cold water, towels and soap and sanitary disposal facilities must be available.

Members of staff and students are reminded:

- (a) A person who is under medical supervision or on prescribed medication and who has been certified fit for work, should notify the school of any known side effect or temporary physical disabilities which could hinder their work performance, and which may be a danger to either themselves or their fellow workers. Staff issued with a Sick Certificate may not return to work before the date specified on the certificate.
- (b) Staff and students are not allowed to attend the premises or carry out duties whilst under the influence of illicit drugs or alcohol. Any person found breaking this rule will be liable to disciplinary action.

Highly Polished Floors

It is the policy of the Board of Management of St. Mary's NS that every attempt will be made to avoid the creation of slippery surfaces. The washing of floors shall be conducted, as far as is possible, after school hours to eliminate as far as possible, the danger of slipping. Where floors are wet, warning signs regarding wet floors shall be used. Attention is drawn to the possibility of outside floors and surfaces being affected by frost in cold weather.

Smoking

It is the policy of the Board of Management of St. Mary's NS that the school and grounds shall be a non-smoking area to avoid the hazard to staff and pupils of passive smoking. Staff working with pupils are reminded that personal hygiene must be of a high standard at all times.

Broken Glass

The Board of Management shall minimise the danger arising from broken glass. Staff members are asked to report broken glass to the Principal so that it may be immediately removed.

Visual Display Units

It is the policy of the Board of Management of St. Mary's NS that the advice contained in the guidelines on the safe operation of visual display units, issued by the Health and Safety Authority be carefully followed. Any up-to-date

information regarding hazards relating to the use of VDU's will be studied and recommendations and directives implemented.

Infectious Diseases

It is the policy of the Board of Management of St. Mary's NS that all infectious diseases shall be notified and steps taken to ensure the safety of staff and students against all such diseases. The Board of Management will endeavour to minimise the risk by adherence to sound principles of cleanliness, hygiene and disinfection and have provided disposable gloves for use in all First Aid applications, cleaning tasks, etc. Toilets and washrooms shall be provided at all times with an adequate supply of hot water, soap, towels and a facility for the safe disposal of waste. Sanitising stations are provided in each room in the school and at entry and exit points.

First Aid

It is the policy of the Board of Management of St. Mary's NS that some members of staff shall be trained to provide First Aid to staff and pupils.

1. Notices are posted in the office detailing:-
 - i. arrangements for giving First Aid,
 - ii. location of first aid boxes,
 - iii. procedure for calling ambulances etc,
 - iv. telephone numbers of local Doctor, Gardaí, Hospital.

2. All incidents, no matter how trivial and whether involving employees, students or members of the public must be reported immediately to the person responsible for the hazard identified in the Statement or in the event that the accident/incident occurs in any other place to which that paragraph dealing with hazards does not relate to the Safety Officer. This is necessary to monitor the progress of safety standards and to ensure that the proper medical attention is given where required. An Accident Report File is to be maintained for the recording of all serious accidents and incidents. This is stored in the School Office.

The Principal will see that there will be maintained in the school a properly equipped First Aid Box available to staff at all times containing:

- sticking plasters
- Tape
- Cotton Bandage
- Spray for First Aid treatment of burns

- Antiseptic Wipes
- Scissors

Disposable gloves must be used at all times when administering First Aid.

Critical Incidents

Critical Incidents will be dealt with according to the Critical Incidents Policy.

Access To School

In as much as is compatible with the practical layout of the school premises, anyone entering the school premises shall be required to identify themselves to the Principal or the Secretary as relevant before gaining admittance to the school. All visitors must report to the school office and sign in to the Contact Tracing Log.

Access to the school building is by permission of the Principal/secretary only. Parents should not enter the school building without getting such permission and should leave as soon as their business is complete (unless a specific event such as a school play is taking place where access is more freely allowed).

Any contractor must make direct contact with the Principal before initiating any work on the premises and shall be shown a copy of the safety statement applying to the school and shall agree to its provisions.

While work is in progress, any noise shall be avoided wherever possible during school hours and shall at all times be reduced to the minimum necessary. The contractor and his/her workpeople shall not create any hazard, permanent or temporary, without informing the principal or their nominated agent and shall mark such hazard with warning signs or other suitable protection.

All visitors must sign out on leaving the school premises.

Drop off and Collection times

1. Parking inside the school grounds is reserved for staff and pupils should be dropped off in the set down area. Cars should not park in the set down area or in the school playground.
2. Parking is not permitted on double yellow lines outside the school, or at the entranceway at any time. Where this becomes an issue, Gardaí will be informed.
3. Parking in the disabled bays is strictly for disabled permit holders.
4. Pedestrians are required to use the pedestrian gate and footpath on approach to the school. Pedestrians are not permitted to enter the school

through the double gates or to walk through the car park on approach to the school. Staff and Visitors parking cars in the carpark are required to use the footpath on approach to the school.

Parking on School Grounds

Parking on school grounds during school hours is strictly for school staff or approved contractors only. Outside school hours, parking is restricted to parish or other such groups who may be using the hall.

Such parking is limited to the designated spaces in the car park. Parking on the school playground is not permitted for safety reasons as damage to the surface may present a risk to children.

Revision of This Safety Statement

This statement shall be revised annually by the Board of Management of St. Mary’s NS in accordance with experience and the requirements of the Health and Safety Act and the Health and Safety Authority.
